Six-Day Cycle

Along with our regular academic schedule, your child will study five “Special” areas of our curriculum on a “Cycle” basis. These areas include Physical Education (twice during the cycle), Library (K-2), Art, Vocal Music, or World Language. Our 180 days of school are divided into 30 cycles of 6 days each. Each day your child is in school, he/she will have a “Special”. An example of this would be:

Day 1Physical Education (wear your sneakers)

Day 2Library (bring your library book)

Day 3Vocal Music

Day 4World Language

Day 5Physical Education

Day 6Art

Each classroom in our school has its own specific “Special” schedule. You will receive that schedule from your classroom teacher.

It is important to note that we never miss a day! If the school is closed for a holiday or for inclement weather, the next day we are in session will be the next consecutive day of the cycle – we don’t skip cycle days when we skip school.

Policies and Procedures

Lunch Program

Sunnymead School uses the district's electronic lunch payment system. Students wishing to purchase a school lunch will have a choice of using the debit "Point of Service" (POS) system with the use of a swipe card to pay for their lunches. **Please make sure your child has their lunch and/or lunch money daily.**

Additionally, please note the following;

- The use of this system is voluntary; students may still pay for lunch with cash.
- Deposits into the POS account (cash or checks) should be placed in an envelope and sent to your child's teacher who will turn it in to the main office. Please clearly mark the envelope with you child's name, teacher's name, and "**POS Program**", otherwise the school will not be able to distinguish that this money is for your child's POS lunch account.

Deposits may also be made online.

- Deposits by check must have "**POS Program**" written in the note section of the check. Please make checks payable to the "Hillsborough Township Board of Education."
- Only school lunches, beverages and food a la carte items can be debited from the account. Snacks (ice cream, cookies, chips, etc.) cannot be debited from the account.
- We ask that at least \$5.00 be placed in every child's account for emergencies. If your child does not have lunch or the means to buy lunch, the child will have to call home.

For those who decide to utilize the POS system, it is very important that you keep records of your child's expenses. When the account is low, you must make additional deposits. You can keep track of your child's balance with the Mealtime Online system at www.mymealtime.com. Early in the year, you will receive a letter from the main office with a username and password for your account.

Again, money may, and should be, placed in the child's account for emergency purposes. Therefore, if you wish to continue to pay with cash, this account may serve as a backup for those days the child forgets his/her money. Parents will be informed of any serious or on-going problems relevant to their child's conduct in the cafeteria or playground.

Lost and Found

A lost and found box is kept in the RAS Room. Anyone finding lost materials should bring these items to the Lost and Found. Pupils may request permission to check the Lost and Found box.

No valuables, radios, cds, handheld game systems, iPods or other electronic gear are permitted in school.

ELEMENTARY GUIDANCE SERVICES

The Hillsborough Township Elementary Guidance Program is a comprehensive, developmental program designed to assist ALL students in reaching their maximum potential. The objectives are to help students acquire the skills and knowledge, which are essential for responsible behavior, academic achievement, personal satisfaction, and successful integration into society. The elementary Guidance Counselor assists through classroom guidance activities, small group and individual counseling, coordination of school and community resources, and consultation with students, staff and parents. The counselor can be contacted through the school's office at 908-431-6600, extension 2030.

INTERVENTION AND REFERRAL SERVICES (I&RS)

Intervention and Referral Services, better known as "I&RS," is a state-mandated committee that can be found in every district school. The purpose of this committee is to work with teachers who request assistance when students have difficulty with behaviors or academics. Parents are an important part of the I&RS process, as your input about what you see in your child at home is crucial to our understanding of the things that happen at school. If a teacher has requested assistance regarding your child, you will be called by that teacher for information and to invite your participation in the process. I&RS is not a pipeline into special education. In many cases the committee serves as a resource for ideas and support; the help they provide often results in positive improvement and success for the child without the need for a special education assessment—although there are times when parents or teachers may determine that a child's needs cannot be met through I&RS support and that a child study team referral is needed.

STANDARDIZED TESTING

Each year in the Spring, 3rd and 4th grade students from across the state take part in special testing known as standardized testing. This testing helps to provide parents with a snapshot of their child's academic progress in literacy (3rd and 4th grade), mathematics (3rd and 4th grade), and science (4th grade only). It also is one way of holding New Jersey schools accountable for teaching the New Jersey Core Curriculum Content Standards, or a program of study approved by the state and consistent throughout all New Jersey districts.

Attendance

First and foremost, students need to be in school to learn! Actually being in school is a major factor for student success and achievement.

Should your child be absent, please call the main office before 9:00 a.m. (908) 431-6600. Follow the prompts to the attendance line (#1) and leave your child's name, teacher's name, and reason for absence. Be sure to do this for each and every day that your child is absent. You may also report your child absent on the Genesis Parent Portal under the "Attendance Tab".

Parents will receive warning letters if there are too many cumulative or consecutive absences over the course of the school year. We will ask for a conference with the parents should such excessive absenteeism occur. The school may request documentation, including doctor's notes, to confirm absences due to illness. Finally, the school will ask the courts to help, when necessary, to ensure that all students report to school consistently according to the statutes of the state of New Jersey (N.J.S.A. 18A:38-25) and the policies of the Hillsborough Board of Education (BOE policy 5200).

EXCUSED ABSENCES

An absence may be excused for the following reasons:

- Illness (a doctor's note may be required depending on the cumulative number of absences)
- Funeral/Death in the family or other family emergency
- Religious observances pursuant to N.J.S.A. 18A:36-14 through 16.
- Court obligations
- Take Your Child to Work Day or other field educational experiences that are pre-approved by the principal.
- Approved home instruction
- Exemptions as per Individualized Education Plans or other school-approved accommodation plans for individual disabilities.

Upon the eighteenth (18th) cumulative absence from school (10% of the academic year) the following actions shall be taken:

- A letter from the principal or principal's designee shall be sent to the parent/ guardian mandating a parental conference in conjunction with the school counselor to develop an action plan to address patterns of excessive absences and to ensure pupil return to consistent/regular school attendance.
- The student shall be referred to the Intervention & Referral Services Committee for evaluation and recommendations that may include assistance of outside agencies or the courts. Upon such referrals, the I&RS Committee will assess the student's academic, behavioral, and health needs and may consider the assistance of a school-based or a community-based social and health agency or an alternate educational program.
- The school shall contact Child Protection and Permanency (CP&P) if child abuse or neglect is suspected.

- The school may make a referral to court programs as designated by the NJ Administrative Office of the Courts and/or compel attendance at school in accordance with the statutory and administrative means available, including proceeding to court as per N.J.A.S. 18A:38-25, 18A:38-26, and 18A:38-31.

UNEXCUSED ABSENCES

When absences are unexcused, the school shall make a reasonable attempt to notify the student's parents as soon as possible and investigate the cause of the unexcused absences. Where unexcused absences are deemed an act of truancy on the part of the student, additional consequences will follow as outlined in the Handbook under "Truancy and Tardiness." If necessary, the school will work with parents/guardians to develop an action plan designed to address patterns of unexcused absences and to assist in returning the student to regular attendance at school. Where parental neglect is suspected, a referral to Child Protection and Permanency will be made and the school will cooperate fully with law enforcement and other state agencies as appropriate.

For up to four (4) cumulative unexcused absences, the school shall:

- Make a reasonable attempt to notify the student's parents prior to the start of the following day;
- Investigate the cause of the unexcused absence;
- Develop an action plan to address patterns of unexcused absences and to ensure pupil return to consistent/regular school attendance in conjunction with the parent, school counselor, and vice-principal/principal;
- Refer student to the Intervention & Referral Services Committee for evaluation and recommendations that may include assistance of outside agencies or the courts;
- Contact CP&P if abuse or neglect is suspected and cooperate with law enforcement agencies as appropriate.

For between five (5) and nine (9) cumulative unexcused absences, the school shall:

- Make a reasonable attempt to notify the student's parents prior to the start of the following day;
- Investigate the cause of the unexcused absence;
- Evaluate the appropriateness of the action plan, revise the plan if needed, and establish outcomes based upon student needs and necessary interventions
- in coordination with the Intervention & Referral Services Committee and outside agencies as appropriate.
- Upon the tenth (10th) cumulative unexcused absence, the school shall:
- Make a mandatory referral to the court program as required by the New Jersey Administrative Office of the Courts;
- Make a reasonable effort to notify the parents/guardians in writing of the mandatory referral;
- Continue to consult with the parents/guardians and any involved agencies to support the student's return to regular attendance and cooperate with law enforcement and other agencies as appropriate;
- Compel attendance at school in accordance with the statutory and administrative means available, including proceeding to court.

Before and After School Care

We are often asked about after school care for students. Please be advised that Catholic Charities runs a before school program and an after school program on the premises of Sunnymeade Elementary School. It is important to be aware that this program is solely administered by Catholic Charities and not by the school or the District (this private organization merely uses school facilities). Should you wish to obtain information regarding this program, please contact Catholic Charities directly at 908- 725-1912. (Note: In the event of an emergency early closing of school, the Catholic Charities after-school Program will not be in session and all program participants will be sent home on their regularly assigned buses.)

** All parents MUST provide their child's teacher with a note telling them about their child's involvement in the after-school program.*

Bringing items to school for your child

All deliveries to the school must be made to the front office. If you are bringing something your child forgot that day, homework, school projects, please make the delivery to the office. Do not deliver items to the classrooms yourselves as this often disrupts the daily schedule. Teachers will be notified by the office that there is something to be picked up. If it is too heavy for one student, a student helper will be requested.

Homework

The Hillsborough Township Board of Education believes that homework relevant to material presented in class provides an opportunity to broaden, deepen, and reinforce a pupil's knowledge. Homework is generally given to reinforce the lesson taught that day – completing it at a later date would not serve the same purpose. The next lesson is usually dependent on the practice from the previous night. The work handed in also helps the teacher to know if the student understands the lesson or needs more help. The student is expected to complete homework neatly and accurately, and to submit it on the due date. A copy of the Board Policy relevant to homework (Number 2330) is posted on the district's website in PDF format.

More specifically, the philosophy and expectations for each school level are outlined below:

Homework Should:

1. Reinforce and extend concepts as needed by the student.
2. Include "real experiences" as well as recreational reading.
3. Be assigned only if necessary and meaningful.
4. Help students to be responsible and organized.
5. Show parents what the child is studying. (Parents should have an active interest in homework.)
6. Emphasize the quality rather than the quantity of effort.

Further Thoughts About Homework:

7. There is life after school, on weekends, over vacations.
8. Long-Term assignments should be remembered when other homework is given.
9. Family homework can be assigned. This helps with communication and helps parents assess student understanding.

At the Elementary Level, Good Homework Assignments Include:

Primary

K -observations, experiences with others, show and tell, independent reading, journal writing, collecting items for the science table, practice of right and left, name, address, phone number, days of week, days of month, etc.

- TP-2 -make-up work, special projects, reading, collections
- science and/or social studies research projects
 - redo untidy papers
 - independent reading
 - journal writing
 - preparation for tests
 - additional practice on concepts and skills taught in school

Upper Elementary (Continue K-3)

- 3-4
- investigative reading, informative reading
 - reference work
 - book reports
 - additional practice
 - research projects in social studies, language arts, science and/or math
 - completion of school assignments
 - independent reading
 - journal entries
 - study for tests

Reasonable expectations for students' time devoted to meaningful homework tasks are noted for grades K to 4:

K	-	as needed
TP	-	10 minutes
1	-	10 minutes
2	-	20 minutes
3	-	30 minutes
4	-	40 minutes

Should you find that your child is spending inordinate amounts of time in completing homework, please inform your child's teacher immediately.

ARRIVAL AND DISMISSAL PROCEDURES

ARRIVAL

Placing your child on the bus is the safest and most efficient way to get your child to Sunnymead School.

For the safety of the students and to preserve efficient arrival and dismissal procedures, strict drop off and pick up procedures are in place. Car traffic is **NOT** allowed in the parking lots when buses are present except for parents using the morning drop off location and afternoon pick up location.

Parents who drop their child off in the morning **MUST** park in the rear parking lot (near the playground). **PLEASE NOTE:** Parking is extremely limited in this area. You can park your car and walk your child down the walkway to the front door.

REMINDERS

- **NO** traffic is permitted in the main parking lot when the buses are present.
- We highly discourage parents from parking on the front lawn.
- **DO NOT** walk between the buses.
- Students **MUST** be escorted to the front door by a parent/adult. They may **NOT** be “dropped off” in the parking lot.

LATE ARRIVALS

Students are encouraged to arrive to school on time each and every day. This helps to formulate good life skills and a stress free start to the school day. However, we realize that there are times when a child may need to arrive late to school. Students arriving after the front doors have closed at 8:30 am., are considered late. Parents must personally sign in their child to school if they arrive late and the child must receive a late pass from the office to be admitted to class.

Please understand that if your child does not check in at the office and receive a late pass, your child will be marked absent/unexcused for the day and you will receive an automated safety call. Finally, please remember that when arriving, you are only permitted to bring your child to the office. You may not walk them to their classroom.

DISMISSAL

Each day, to facilitate dismissal, the office will close from 2:45 pm until the school buses have left. **Student pick up may not be scheduled during this time.**

EARLY PICK UP (PRIOR TO 2:45): If you would like to pick up your child prior to 2:45 pm, you must fill out the Change in Dismissal Form. Upon arrival to the school, please come to the office and sign your child out of school. **DO NOT** proceed directly to the classroom.

PICK UP AT DISMISSAL (WALKERS): If you would like to pick your child up at the end of the school day, you must fill out the Change in Dismissal Form. Parents are asked to arrive at 3:00 pm sharp and wait outside the front door for their child. For your child's safety, you may be asked to show identification.

CHANGE IN DISMISSAL FORM: In all instances, you **MUST** complete the [Change in Dismissal Form](#) (click on this link).

EMERGENCY/EARLY DISMISSALS: In the event of an emergency situation, such as severely inclement weather, a serious electrical problem, severe flooding, etc., the Superintendent and the Hillsborough Police Department may call for an emergency dismissal of school. *It is imperative that each parent/guardian discuss with their child what procedures they are to follow when they are delivered home by their bus in these events ~ especially in the event there is no one home.*

IN THE EVENT OF AN EMERGENCY DISMISSAL, THE CATHOLIC CHARITIES AFTER CARE PROGRAM WILL NOT BE IN SESSION. ALL OF THESE STUDENTS WILL RIDE THEIR ASSIGNED BUS HOME.

In order for the school district to keep you informed, maintaining the accuracy of your contact information is essential. Please remember to log into your Genesis Parent Portal regularly to insure your information is up to date and accurate.

VISITORS

In order to minimize classroom interruptions, visitors must enter the school through the **FRONT DOORS ONLY** and sign-in at the office. Our building uses a video monitor entrance system. All visitors will be “buzzed” into the office for sign-in. Visitors must be prepared to show picture identification and will receive an identification badge/sticker that must be worn while on school property. All business must be conducted through the school office. Appointments with teachers should be set up at a time other than when they are responsible for the supervision and teaching of classes. This procedure is important so that maximum instruction time is available for your child. Please email the teacher directly to set up an appointment.

VACATIONS DURING THE SCHOOL YEAR

For obvious reasons, vacations during the school year are discouraged. However, it is understood that sometimes family circumstances dictate that such things must happen. It is also important to know that even when advance notice is given, teachers cannot assemble each and every assignment in advance for your child to complete while he/she is on vacation. It is my expectation that my teachers constantly reflect on their teaching and adjust their instruction and assignments based on the needs of the students in the classroom. So while they have written lesson plans in advance, it is my belief that a good teacher adjusts those plans accordingly and frequently. Therefore, the best teachers may be able to give you while you are on vacation is a general overview of what will be covered in class and your child can try to keep up with the class based on that information. In any case, by the nature of what good teaching is, your child would have to make up a great deal of work upon your family’s return from vacation.

WITHDRAWAL/STUDENT TRANSFER

If your family will be relocating, or if it is your intention to register your child to attend a private school, it is necessary for you to contact the school secretary. She will advise you of the procedures that need to be followed in order to ensure legal withdrawal and timely transfer of records.

PARTIES

Birthday parties are **NOT** permitted in school. Classroom celebrations occur 3 times per year.

As you may know, New Jersey enacted a School Nutrition Policy to promote healthy food alternatives to students in public schools. In addition to changes to the cafeteria menu, the new policy affects foods that are served during parties and birthday celebrations. *Soda is completely prohibited, as is all candy.* We have several children with food allergies. If your child would like to acknowledge their birthday in class, we highly recommend that parents avoid sending in edible treats.

FOODS OF MINIMAL NUTRITIONAL VALUE

The following items shall not be served, sold, or given away as a free promotion anywhere on school property at any time before the end of the school day, including items served in the reimbursable After School Snack Program:

- Soda Water
- Water Ices – those water ices which contain fruit or fruit juices are not included
- Chewing Gum
- Certain Candies:
 - Hard candy: includes such food as sour balls, fruit balls, candy sticks, lollipops, starlight mints, after dinner mints, sugar wafers, rock candy, cinnamon candies, breath mints, jaw breakers, and cough drops
 - Jellies and Gums: includes such foods as gumdrops, jelly beans, jellied and fruit-flavored slices
 - Marshmallow candies

Fondant: includes such foods as candy corn and soft mints

- Licorice
- Spun candy
- Candy-coated popcorn

Below is a list of ideas for non-food items that could be sent in to celebrate your child's special day:

- Donate a picture book for the class library (to be read on your child's birthday).
- Donate a game for our class game center (to be used during indoor recess).
- Pencils
- Erasers
- Stickers

If you have any other ideas or questions, feel free to call or email your child's teacher.

***Do not send any goody-bags with food items to school. If they are sent, teachers have been directed to confiscate all goody-bags with food items and turn them into the main office.**

TRANSPORTATION

All children who attend Sunnymead School are currently eligible for district transportation (buses). Information regarding the location and times of your child's designated bus stop can be obtained through the Parent Access Portal in Genesis in August. Should you need to contact the Transportation Department for any reason, please call 908-431-6600, option #6.

All students are expected to ride their regular buses to and from Sunnymead School. ***Children are not permitted to ride a bus other than the one to which they are assigned.*** In the event of an emergency, children are permitted to get off at a different stop, on their same bus. In order to allow your child to do so, you must follow the following procedures:

- 1) Parents must make contact with the main office about the situation, in writing.
- 2) Dr. Jenkins will determine if there is an actual emergency and whether or not the emergency stop change will be granted.
- 3) Please allow Dr. Jenkins time to contact transportation and alert them of the approval along with your student's name and emergency bus stop.
- 4) Please allow the transportation department time to contact the bus company and have them relay the information to their driver.
- 5) The Sunnymead main office will contact you to confirm the switch.
- 6) A school staff member will bring the student to the bus and present a signed note from the Principal which will include the student's name and emergency bus stop.

ONLY UNDER THESE PROCEDURES WILL A BUS STOP SWITCH BE ALLOWED.

PLEASE NOTE: No *private vehicles are permitted in the school driveway when buses are present or expected!*
Should you be transporting your child to or from school, please be certain not to interfere with the school buses.

GUIDELINES FOR STUDENT DRESS

It is the purpose of Sunnymeade Elementary School, in the matter of student grooming and dress, to enhance the health and safety of the students and to avoid distractions to the educational process. It is not the intention of the school district to neither usurp parental prerogative in the determination of appropriate grooming for their children, nor to infringe on an individual's freedom of speech.

Throughout many school systems in the United States, schools have found a relationship between proper school dress and proper school behavior and grades. Therefore, students are encouraged to be neat, clean, and well groomed when attending classes, representing the school on field trips, and at all school functions. Clothing must be neat and not distracting or offensive to the students, staff, citizens of the school community, or visitors to the school.

While Sunnymeade Elementary School does not have an official dress code for students, there are underlying guidelines as to what the administration believes constitutes "appropriate dress". You will find this philosophy as well as specific definitions listed below. Be advised that any students who are in violation of these guidelines will be asked to call their parents who would then have to bring in appropriate attire. In order to avoid that annoyance, be sure to familiarize yourself and have your children adhere to the following expectations:

1. PANTS/SHORTS:

- a. Must be worn at waist level
- b. Shorts are to be of an appropriate length (use the old "fingertip" rule)
- c. Undergarments are not to be visible
- d. No chains may be worn as belts or as accessories to pants/shorts.

2. DRESSES/SKIRTS:

- a. Must be worn at waist level and be of an appropriate length (use the old "fingertip" rule)
- b. Undergarments are not to be visible

3. SHIRTS/BLOUSES

- a. Must be "tuckable", but not necessarily tucked in
- b. No half shirts exposing the midriff or shirts that expose the midriff when hands are raised straight up above the person's head
- c. If "spaghetti straps" are worn (more than sleeveless type of shirt), a double shirt must be worn. Appropriate undergarments are to be worn and not visible.
- d. Fishnet shirts (with holes or see through) – must have a shirt underneath
- e. Any skin-tight tops (i.e. leotard, swimwear, spandex, etc.) must have a double shirt worn

4. FOOTWEAR/SHOES:

- a. Must be firmly attached to the foot, minimally with a back strap
- b. No flip-flops

5. OTHER:

- a. No coats are to be worn in class
- b. No sunglasses are allowed to be worn in the school building
- c. No hats are allowed to be worn in school
- d. No articles of clothing which are markedly soiled with grease, paint or dirt
- e. No articles of clothing which display indecent writing, pictures, slogans, inappropriate advertising (i.e. drugs, alcohol, tobacco products or of sexual nature), or slogans/pictorial effects degrading any cultural, religious, or ethnic values
- f. No articles of clothing that could cause damage to other people or property
- g. No clothing that is extremely torn, slit, drags on the floor or in a state of disrepair
- h. Any other articles which may be deemed by the administration as distracting or disruptive to the educational process are also disallowed.

Student Code of Conduct

Disciplinary Consequences

Each individual teacher within their respective classroom has their own rules for behavior along with rewards and consequences. On the occasions that students display behaviors not in line with our student code of conduct, most issues concerning minor disciplinary infractions will be handled within the classroom by individual teachers. However, when a teacher has exhausted those options, and a child is sent to the principal's office, the following details what the administrative consequences will be.

When it comes to the application of consequences for violations of our student code of conduct, it is the administration's goal to be firm, fair and consistent in the application of its rules.

When it comes to the application of consequences, it is our belief that when dealing with the most serious of violations, that a student's behavior records from previous years may be analyzed when making a determination of consequences. Additionally, there are some circumstances that may necessitate involving local law enforcement in addition to applying school consequences. In this way, we can be sure that we are looking out for the best interests of our entire student body.

Please be aware that while the following guidelines listed below are the general rules that will be followed, the principal has the right and discretion to impose consequences as he/she sees fit in light of all circumstances involved, particularly, but not exclusively, for those behaviors that involve multiple offenses. This may include consequences that go beyond those listed below.

Possible disciplinary consequences:

verbal warning and/or the possibility of a reflective assignment to be completed silent lunch/ recess

Loss of school-wide privileges, including, but not limited to participating special events, class trips, parties, assemblies, etc.

After school detentions and will continue to lose school-wide privileges. Parents are responsible for coming to school to pick-up their children in these cases. Transportation is not provided.)

Subsequent referrals could result in – In-school or out of school suspension.

*When students violate transportation procedures and/or school rules on the bus, a suspension from bus privileges may be included with the consequences listed above.

Please note that **out-of-school suspension** is a possibility as an initial consequence or at any time for any students who engage in behaviors that may be considered dangerous to themselves or others, as determined by the building **cafeteria/recess procedures**. Students will be given a 40 minute lunch/recess period each day: 20 minutes to eat in the cafeteria and 20 minutes to play and exercise outside, weather permitting. Students are also expected to follow the guidelines outlined below during lunch and recess so that a safe and pleasant atmosphere can be maintained for all students.

Lunch/Recess Behavior

- Students are expected to follow directions given by the lunch aide and teacher the first time they are given.
- Students are expected to demonstrate respect for the lunch aides and others at all times.
- Students should remain seated during the lunch period and keep hands, feet, and other objects to themselves.
- Running in the cafeteria is not permitted.
- Lunchtime conversations should be conducted in a quiet voice.
Students should refrain from yelling, shouting, or making other loud noises.
- Students are responsible for discarding their trash and cleaning up their area.
- Once students leave the cafeteria, they are expected to walk quietly to the playground or next class.

Recess

- Students are expected to follow directions given by the recess aide the first time they are given.
- Students are expected to demonstrate respect for the recess aides and others at all times.
- Students are to play in designated areas only.
- Students should refrain from any type of rough play, which could result in jeopardizing the safety and well being of another student. **Fighting is strictly prohibited.**
- The use of foul or inappropriate language is not permitted.
- At the end of the recess period, students are expected to line up quickly and re-enter the building in a quiet, orderly manner.

Consequences:

Students who fail to abide by the guidelines outlined above will be subject to the following consequences:

- ⇒ 1st Time = Warning
- ⇒ 2nd Time = Loss of recess privilege
- ⇒ 3rd Time = Sent to principal

Any serious offense, such as fighting, stealing, bullying, etc. will result in the student being referred immediately to the principal for discipline. **Section 5 - Students' Rights to Due Process and Appeals Procedures**

Any student who is accused of violating a school regulation and is to be reprimanded or disciplined shall have the right to procedural due process in accordance with N.J.S.A. 18A:37-1 et seq.

Educationally handicapped pupils are generally subject to the same disciplinary procedures as non-handicapped pupils in accordance with the provisions of N.J.A.C. 6A:14:2.8.

When a disciplinary consequence is given to a student, every effort will be made to contact his/her parents/guardians, whether it be by phone call, written notice, email, or any combination of those methods.

If a parent or guardian disagrees with the consequences given, they can appeal the disciplinary actions taken by the principal through a written or electronic statement. The principal will then reply to such an appeal. Should parents or guardians feel that the principal's second judgment is not just, they can make a second appeal to the superintendent of schools.

A faucet or fountain outside the cafeteria is acceptable as long as pupils can request and receive permission to access the faucet or fountain.

Schools may not serve any whole milk or any reduced fat milk (2%). Schools may only serve fat-free milk, low-fat (1%) milk, fat free or low fat lactose reduced/lactose free milk, fat-free or low-fat buttermilk, or acidified milk or fat-free or low-fat acidified milk. 5200 ATTENDANCE

The Board of Education requires the pupils enrolled in the schools of this district attend school regularly in accordance with the laws of the State. The educational program offered by this district is predicated on the presence of the pupil and requires continuity of instruction and classroom participation. The regular contact of pupils with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

Attendance at school may be excused for certain absences as defined by the Board. All absences for reasons other than excused, shall be unexcused.

Pupils absent from school for any reason are responsible for the completion of assignments missed because of their absence. No pupil excused for a religious holiday shall be deprived of an award or eligibility to compete for an award or the opportunity to make up a test given on the religious holiday.

Prolonged or repeated absences, excused or unexcused, from school or from class, deprive the pupil of the classroom experience deemed essential to learning and may result in retention at grade level or loss of credit toward the high school diploma in accordance with policies of this Board.

Pupils shall be subjected to the school district response for unexcused absences during the school year as outlined in N.J.A.C. 6A:16-7.8(a)4 and Regulation 5200. In addition, unexcused absences from school or from classes within the school day shall subject a pupil to the disciplinary rules of the Board, which may include the denial of a pupil's participation in co-curricular activities and/or athletic competition in accordance with Policy Nos. 5610 and 5620.

The Superintendent shall calculate and monitor the average daily attendance rate for the district and for each school in the district. Whenever the average daily attendance rate for the district or for a school in the district does not meet the New Jersey Department of Education requirements, the Superintendent or designee shall develop performance objectives to improve pupil attendance pursuant to N.J.A.C. 6A:32-12.2(a)3.

A. Policy Statement

The Board of Education prohibits acts of harassment, intimidation, or bullying of a student. A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment, intimidation, or bullying.

For the purposes of this Policy, the term "parent," pursuant to N.J.A.C. 6A:16-1.3, means the natural parent(s) or adoptive parent(s), legal guardian(s), foster parent(s), or parent surrogate(s) of a student. Where parents are separated or divorced, "parent" means the person or agency which has legal custody of the student, as well as the natural or adoptive parent(s) of the student, provided such parental rights have not been terminated by a court of appropriate jurisdiction.

B. Harassment, Intimidation, and Bullying Definition

"Harassment, intimidation, or bullying" means any gesture, any written, verbal or physical act, or any electronic communication, as defined in N.J.S.A. 18A:37-14, whether it be a single incident or a series of incidents that:

1. Is reasonably perceived as being motivated by either any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability;, or by any other distinguishing characteristic;
2. Takes place on school property, at any school-sponsored function, on a school bus, or off school grounds, as provided for in N.J.S.A. 18A:37-15.3;
3. Substantially disrupts or interferes with the orderly operation of the school or the rights of other students; and that
 - a. A reasonable person should know, under the circumstances, that the act(s) will have the effect of physically or emotionally harming a student or damaging the student's property, or placing a student in reasonable fear of physical or emotional harm to his/her person or damage to his/her property; or
 - b. Has the effect of insulting or demeaning any student or group of students; or
 - c. Creates a hostile educational environment for the student by interfering with a student's education or by

severely or pervasively causing physical or emotional harm to the student.

Schools are required to address harassment, intimidation, and bullying occurring off school grounds, when there is a nexus between the harassment, intimidation, and bullying and the school (e.g., the harassment, intimidation, or bullying substantially disrupts or interferes with the orderly operation of the school or the rights of other students).

“Electronic communication” means a communication transmitted by means of an electronic device, including, but not limited to: a telephone, cellular phone, computer, or pager.

C. Student Expectations

The Board expects students to conduct themselves in keeping with their levels of development, maturity and demonstrated capabilities with proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities and the care of school facilities and equipment consistent with the Code of Student Conduct.

The Board believes that standards for student behavior must be set cooperatively through interaction among the students, parents, school employees, school administrators, school volunteers, and community representatives, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school district and community property on the part of students, staff, and community members.

Students are expected to behave in a way that creates a supportive learning environment. The Board believes the best discipline is self-imposed, and it is the responsibility of staff to use instances of violations of the Code of Student Conduct as opportunities to help students learn to assume and accept responsibility for their behavior and the consequences of their behavior. Staff members who interact with students shall apply best practices designed to prevent student conduct problems and foster students’ abilities to grow in self-discipline.

The Board expects that students will act in accordance with the student behavioral expectations and standards regarding harassment, intimidation, and bullying, including:

1. Student responsibilities (e.g., requirements for students to conform to reasonable standards of socially accepted behavior; respect the person, property and rights of others; obey constituted authority; and respond to those who hold that authority);
2. Appropriate recognition for positive reinforcement for good conduct, self-discipline, and good citizenship;
3. Student rights; and
4. Sanctions and due process for violations of the Code of Student Conduct.

Pursuant to N.J.S.A. 18A:37-15(a) and N.J.A.C. 6A:16-7.1(a)1, the district has involved a broad-base of school and community members, including parents, students, instructional staff, student support services staff, school administrators, and school volunteers, as well as community organizations, such as faith-based, health and human service, business and law enforcement, in the development of this Policy. Based on locally determined and accepted core ethical values adopted by the Board, pursuant to N.J.A.C. 6A:16-7.1(a)2, the Board must develop guidelines for student conduct pursuant to N.J.A.C. 6A:16-7.1. These guidelines for student conduct will take into consideration the developmental ages of students, the severity of the offenses and students’ histories of inappropriate behaviors, and the mission and physical facilities of the individual school(s) in the district. This

Policy requires all students in the district to adhere to the rules established by the school district and to submit to the remedial and consequential measures that are appropriately assigned for infractions of these rules.

Pursuant to N.J.A.C. 6A:16-7.1, the Superintendent must annually provide to students and their parents the rules of the district regarding student conduct. Provisions shall be made for informing parents whose primary language is other than English.

The district prohibits active or passive support for acts of harassment, intimidation, or bullying. Students are encouraged to support other students who:

1. Walk away from acts of harassment, intimidation, and bullying when they see them;
2. Constructively attempt to stop acts of harassment, intimidation, or bullying;
3. Provide support to students who have been subjected to harassment, intimidation, or bullying; and
4. Report acts of harassment, intimidation, and bullying to the designated school staff member.

Districts should identify a range of strategies and resources that will be available to individual victims of harassment, intimidation, and bullying, and respond in a manner that provides relief to victims and does not stigmatize victims or further their sense of persecution. The type, diversity, location, and degree of support are directly related to the student's perception of safety.

E. Harassment, Intimidation, and Bullying Reporting Procedure

The Board of Education requires the Principal at each school to be responsible for receiving complaints alleging violations of this Policy. All Board members, school employees, and volunteers and contracted service providers who have contact with students are required to verbally report alleged violations of this Policy to the Principal or the Principal's designee on the same day when the individual witnessed or received reliable information regarding any such incident. All Board members, school employees, and volunteers and contracted service providers who have contact with students, also shall submit a report in writing to the Principal within two school days of the verbal report. The Principal will inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services. The Principal, upon receiving a verbal or written report, may take interim measures to ensure the safety, health, and welfare of all parties pending the findings of the investigation.

Students, parents, and visitors are encouraged to report alleged violations of this Policy to the Principal on the same day when the individual witnessed or received reliable information regarding any such incident. Students, parents, and visitors may report an act of harassment, intimidation, or bullying anonymously. Formal action for violations of the Code of Student Conduct may not be taken solely on the basis of an anonymous report.

A Board member or school employee who promptly reports an incident of harassment, intimidation, or bullying and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

In accordance with the provisions of N.J.S.A. 18A:37-18, the harassment, intimidation, and bullying law does not

prevent a victim from seeking redress under any other available law, either civil or criminal, nor does it create or alter any tort liability.

The district may consider every mechanism available to simplify reporting, including standard reporting forms and/or web-based reporting mechanisms. For anonymous reporting, the district may consider locked boxes located in areas of a school where reports can be submitted without fear of being observed.

A school administrator who receives a report of harassment, intimidation, and bullying from a district employee, and fails to initiate or conduct an investigation, or who should have known of an incident of harassment, intimidation, or bullying and fails to take sufficient action to minimize or eliminate the harassment, intimidation, or bullying, may be subject to disciplinary action.

The investigation shall be conducted by the school Anti-Bullying Specialist in coordination with the Principal. The Principal may appoint additional personnel who are not school Anti-Bullying Specialists to assist with the investigation.

The investigation shall be completed and the written findings submitted to the Principal as soon as possible, but not later than ten school days from the date of the written report of the incident. Should information regarding the reported incident and the investigation be received after the end of the ten-day period, the school Anti-Bullying Specialist shall amend the original report of the results of the investigation to ensure there is an accurate and current record of the facts and activities concerning the reported incident.
