

August 2023

Dear 3rd grader,

Welcome to 3rd grade! I hope you are enjoying a spectacular summer! I know this is going to be an amazing year, and I can't wait to meet you in September. Third grade is such a special time at Sunnymead! Together we will be learning about multiplication and division, writing in cursive, learning about force and motion, and immigration to name a few topics! There will be lots more that we learn about too!

Let me tell you a little bit about myself. I am married to Mr. Stockman. We have 2 sons named Hans and Wyeth. Hans is married to Mariel and they have 1 son named Bruce! Yes, you read that correctly I have a grandson! He is almost 3 years old! Mr. Stockman and I live with our 2 dogs Penny and Pickles. I have lots of stories to share and write about for all these wonderful members of my family.

For now, enjoy the rest of your summer and I will see you really soon!

Your teacher,  
Mrs. Stockman

Please enjoy the rest of your summer. I can't wait to hear all about the awesome books you have been reading, places you have been going, and memories you have been making.
